FROM THE ASSOCIATE DEAN

As most of you are aware, it has been the tradition of the College of Law to celebrate an Honors Day to recognize our students who have demonstrated outstanding merit and academic achievement. Thanks to the efforts of Brenda Cornelius, the Student Life Coordinator, this year's Honors Day was particularly exceptional.

For the first time, WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES selected 7 students from the College of Law to include in its 1994 edition. The selections were based on academic achievement, service to the community, leadership in extra-curricular activities, and potential for continued success. The seven students chosen were:

Penny Brown-Artis
Greg B. Cutler
Pamela F. Everett
Susan F. Motter
Lesli R. Seta
James R. Westbury
Angelyn Wright

Notes from the "New" SBA

The officers of the 1994-95 Student Bar Association were installed on April 6th, and are planning an active and productive year. After a busy strategic planning session on Thursday, the SBA has created a list of "top priority" projects to work on this summer.

In just the past two days, SBA has created a suggestion box, an "Incident Report" form (for tracking problems within and around GSU), and passed a resolution creating a Student/Faculty Task force. We are also busy making preparations for Brief Encounters, the "Buddy" system, and comprehensive Professor Evaluations. You can look forward to some exciting changes around the Law School this fall!

In the meantime, we are actively seeking volunteers for several appointed committee positions, including Academic Affairs, Communications, and Fundraising. We are also recruiting volunteers for our 1L "Buddy" System and the "Brief Encounters" session on June 10th. If you are interested in joining our ranks, please complete a Volunteer Information sheet from the SBA Bulletin Board, or see an SBA officer.

The 1994-95 SBA Officers are:

President -- Vicki Bell
Vice-President -- Sue Doman
Treasurer -- Laura Schilling
Secretary -- Rebecca Blackstock
3L At Large Senator -- Sung Lee
3L Part-time Senator --
 Jacqueline Bazy
2L At Large Senator -- Kevin Demer
2L Full-time Senator --
 Stephanie Duncan-Brent

The new Honor Court Justices are:

3L: Kirsten Cook
 Richard Wayne
 Roderick Wilkerson
2L: Bill Little
 David Smith

SBA maintains an "open door" philosophy. However, with our small ranks, we cannot always staff the SBA office. If you need to talk to an SBA rep., our numbers are posted on the SBA door. You may also call me at home at 426-7181 (8 am - 10 pm) or page me at 703-2985. We are here to serve your interests -- stay in touch!

Vicki Bell, SBA President

Voice your opinion about GSU's proposed Student Fee Increases

On Thursday, April 14th, the GSU administration will hold a "public hearing" concerning proposed increases in the Student Activity Fee and the Student Athletic Fee.

Currently, the University's fee structure is much lower than similarly situated universities, and the committee which allocates the fees consistently runs short on funds (requests are double the available funds). Because of this, the university would like to increase the fees in the following manner (per quarter/semester):

- *Student Activity Fee --
 raise from \$23 to \$30
- *Student Athletic Fee --
 raise from \$23 to \$33 or \$38
- *Student Health Fee --
 create at a fee of \$5

At the hearing on the 14th, the Administration will take comments regarding these increases/new fees. The hearings will be held in the Student Lounge, third floor, University Center (next to the "big" cafeteria). They will begin at 10:00 am and again at 5:30 pm and run for approximately one hour.

If you are unable to attend (and they have been informed that these times are inconvenient for law students), please submit your comments in writing to the SBA office no later than 10 am that morning, and they will be submitted to President Patton directly. Please keep your comments short, specific and civil -- pro or con (and thanks for your input).

STLA NEWS Congratulations

Litigation Scholarship Winners

Rhonda Byers and Christine Koehler were the joint winners of a new scholarship given by the Civil Justice Foundation of the Georgia Bar Association. The Scholarship

will be awarded annually for a "propensity" and skill in litigation. This year's recipients both have litigation experience outside the College of Law, are actively involved in the Student Trial Lawyers Association, the National Association of Criminal Defense Lawyers - GSU Chapter, and the Moot Court Board. Recognition of their organizational and speaking skills is appropriate. They are two of GSU's best and brightest. Congratulations.

organizations this summer, and will each receive a \$2,000 stipend. Mimi will be working at the Georgia Indigent Defense Council and Nancy will be working for the Truancy Project. We were very impressed with the caliber of the applications, and encourage all law students to apply next spring for 1995 summer fellowships.

Thanks to everyone who supported us throughout the year. It is only through your support that we are able to award our summer fellowships.

ASSOCIATION OF WOMEN LAW STUDENTS

**Mary Margaret Oliver to speak on
April 20th**

State Senator Mary Margaret Oliver, Chair of the Senate Judiciary Committee, will speak at a program sponsored by the GSU Association of Women Law Students on April 20th, from 12:00 noon until 1:00 pm in Room 230.

Senator Oliver chaired one of the most influential committees in the Legislature during the past two sessions. The committee was assigned such explosive legislation as the gun control bill, the child support act, and the Governor's crime package. She will share her insights and experiences of the past two years, and look ahead at the 1995 session. This is a program that should not be missed - but get there early (and bring your lunch) -- AWLS expects a standing room only crowd!

**IBM PC and
compatibles - Lexis
commands you wish you
knew:
by Paul Vignos**

Focus Feature to find/search for particular text

.FO initiates the Focus Feature.

Use the Focus Feature to highlight words in LEXSEE retrieved documents. Use the Focus Feature to change the highlighted words in regular search mode retrieved documents.

How does this work? Simple

.FO <enter>

WORD OR OTHER OR THIRD OR
FINAL <enter>

LEXIS will then highlight those words between the or connectors in either full (.FU) or kwik (.KW) format.

The focus feature is particularly useful when retrieving LEXSEE documents because with focus there are no highlighted words.

The focus feature is also available when your document is retrieved through a standard LEXIS word search. If you want to change the focus of your search just initiate the Focus Feature and enter new words to highlight.

For example, if you search the Georgia library case file for FIRST AMEND! AND ZONING AND GEORGIA AND DATE AFT 1992 you may begin to read *Pel Asso v. Joseph*, 262 Ga. 904 (1993). The highlighted terms will be your search terms: First Amendment, Zoning, Georgia and the date.

To highlight different terms you might enter:

.FO;NUDE OR LICENS! OR
DANCE;.KW <enter>

Now the highlighted terms will change to reflect your narrowed interest.

To exit the FOCUS service enter .EF or .EX -- do not enter .ES -- especially if your case came up as a result of a Lexsee search -- .ES is the dot command to EXIT SERVICE.

Related command:

.VK # (vary the key word context) changes the amount of text surrounding the highlighted words in KWIC (key word in context). The default is 25 words. If you would like to see more or less text than previously, enter a larger or smaller number after the dot command. For example:

.VK 5

LEXIS will change the amount of text surrounding your key focus or search words to five words before and five words after. LEXIS does not count noise words such as and, or, a, the so the total text surrounding your focus or search word will be about 1.7x the number of words defined by the .VK command.

FROM THE OFFICE OF STUDENT LIFE...

August 16, 1993, law students began to make their way down the Tax Clinic hallway to find the Office of Student and this person that was going to give them a life. We have survived mailbox stuffings, bulletin board changes, signs on "Tom's walls",

student organization renewal forms, missing receipts for travel, invoices over 30 days, room and table reservations, notes left under and on the door, a hooding ceremony and honors day program, just to name a few. I would like to take this opportunity to sincerely thank all the students in the College of Law for continued support and most of all for accepting me as one of your own. This year has been an experience to say the least but one I would not trade. I am looking forward to great times ahead. THANKS

FOR THE MEMORIES,

Brenda Cornelius

Students Graduating Spring 1994

Employment Statistics Reports were placed in your mailbox this week. Please take a moment to fill out the survey. This Employment Stat survey is very important for the following reasons:

1. The Career Planning Office is required by Federal law to keep accurate records of employment for each graduate of the College of Law;
2. Most perspective students are quite interested in our employment statistics;
3. Knowing where graduates will be working greatly assists us in assessing the market.

If you would like to schedule an appointment with us to discuss your job search, please call 651-2062. We look forward to assisting you in the pursuit of your career goal.

Both surveys are short and will only take a few minutes to fill out, please take the time to complete and return them to us. Thank you!
